Summer Bible Study Summer is a time of year when many take an opportunity to travel, rest and enjoy things that they are not able to enjoy at other times of the year. It is also a time when church attendance drops in most churches and many activities stop as well. As your pastor, I would be lying if I told you from a workload perspective that I did not enjoy stopping many activities as it gives me a chance to breathe for a time being. Yet I am unwilling to not offer something that I believe we all need and that is the study of God’s word. I will begin a Sunday morning bible study again on June 13 beginning at 8 am. The topic of study will be on race relations, critical race theory, social justice, and a biblical response and approach to the world around us. Please join us.

Opportunities to serve Currently the leadership of Peace Lutheran Church has some openings that need to be filled. We have two different openings. One is on the Peace Lutheran Board of Education which deals most closely with things like Sunday School, VBS, and other similar activities. This board has been fairly quiet the past year due to COVID, but as we look ahead to Fall we envision that things will start getting going once again. There is also an opening available on the Preschool Board. Please speak with Pastor Lane about the possibility of serving.

The Faribault Lutheran School Marketing Committee is looking for additional members who are interested in helping FLS with communications and marketing. If you have talents or specific interests in writing/editing, photography, videography and events, we would love to have you join. Please contact Sara Hewitt at sborch03@gmail.com or 507.330.2942 if you are interested or have questions.
