GIVING ONLINE Peace Lutheran Church has recently made giving easier by utilizing online giving options. On a computer, the easiest way to give online, is to simply go to PEACE-LCMS.org and click on **GIVE ONLINE**. You can also text **PEACELC to 77977** and then follow the instructions, this will take you to the giving site it will not charge your phone bill. Another option is to download the **pushpay** app in order to give, just text **PUSHPAY to 77977**. As people utilize this option of online giving the reporting of these online gifts will be reported **at the end of each month** rather than on a weekly basis.
